A very dangerous Muay Thai striker, "The Black Widow" Michelle Addams was involved in the very first regulated MMA bout involving women in the US (in California in January 1995), and so is something of a trailblazer. Her brand of sharp kicks and devastating clinch work has quickly established her as one of the top female names in the sport.

About This Game

Step into the world of MMA in World of Mixed Martial Arts 3. In this simulation title, you control every aspect of the MMA world. Take control of an MMA company and run it the way you want. Decide who to hire, what matches will take place, and who doesn't make the cut! Train fighters, negotiate contracts, watch matches unfold in real time with detailed commentary, and much, much more! Can you make it to the top of the industry?

Features:

- Highly detailed fighters, with a multitude of statistics covering all major elements of MMA, from striking to jiu jitsu.
- Advanced play-by-play engine where the player can watch fights unfold in real time via detailed commentary.
- In-game web site keeps you up to date on all the happenings and fighter rankings around the game world. Automatic

archiving keeps track of the details for every fight.

- Deal with injuries, fight refusals, upsets, money wrangles, bad calls and more.
- High pressure contract negotiations with fighters. Will you play it safe or call his bluff?
- Full detailed and intuitive game editor allows in-depth customization.
- Large game world featuring 90 separate regions, including North America, Japan, the UK and Asia.
- Watch matches that are being held on other promotion's shows "live" as they happen.
- Post-show bonus awards: Knock Out Of The Night, Submission Of The Night, and Fight Of The Night.
- Bad Calls. Referees can now make controversial (or just flat-out wrong) decisions during a match. How will you react?
- Competitive Credibility. This is a measure of the quality of a promotion's roster and is used to simulate the fans' view of the fighters.
- Creative Striking is a new stat that measures the variety of unorthodox, unusual or spectacular strikes that a fighter can use, such as spinning kicks, spinning elbows, flying knees and other crowd-pleasing moves.
- Submission Knowledge. Submission Knowledge measures which submission holds a fighter has access to. A fighter with a very high score will have moves like gogoplatas, peruvian neckties and rolling kneebars in his arsenal.

FLB Confirm Next Event

FLB CEO Clodomil Dualib last night announced details of their next event, writes Sam Stavrakakis. FLB 7: Smash will take place on Sunday of Week 1, February 1998, and is set to be held in Brazil. It was also revealed that the all-important main event will be announced within the next few days, with more matches to be confirmed as the show gets closer.

UPCOMING EVENTS

- ▶ BCF: Alois vs. Potter (BCF, Wednesday Wk 1 February)
- ▶ FLB 7: Smash (FLB, Sunday Wk 1 February)
- ▶ KDM FC 4 (KDM FC, Sunday Wk 1 February)

ALPHA-1 Hiring

According to reliable sources, ALPHA-1 are in the process of putting together an offer to try and bring in Jiroemon Hasegawa to be part of their Light Heavyweight division. There have been rumours that they are planning to add to that division swirling around for a few days now, writes Sam Stavrakakis, but this is the first time that a specific target has been named.

BCF Announce Matches

Blurcat's Steven Monk was in attendance last night as BCF announced the matches for the previously unnamed upcoming show. As well as revealing that the main event would be Stafford Alois vs. Carter Potter for the BCF Heavyweight title, several other bouts were also confirmed. Please click here for a full listing of the matches announced.

KDM FC Confirm Next Event

KDM FC CEO Raymundo Reyes last night announced details of their next event, writes Matt Edwards. KDM FC 4 will take place on Sunday of Week 1, February 1998, and is set to be held somewhere in South Eastern Asia. It was also revealed that the all-important main event will be announced within the next few days, with more matches to be confirmed as the show gets closer.

SIGMA And Heikichi Shimizu

Word on the grapevine is that SIGMA are looking to add to their Welterweight division, and that they are very keen to bring in Heikichi Shimizu. Although nothing official has been said yet, and it is not even clear whether the fighter himself is aware of the interest, it is strongly rumoured that the company will be making a contract offer to him within the next week.

6 / 9

The game is fantastic in what is considered a booking simulation. The layout is pretty cool as well. I love that the characters are full bodied on their profile. The game is simply addicting. Now only if the newer games from GDS would be available on Steam, it would be great.
