LibreOffice 5.0.3.3 released. 19 October 2018. Since its launch in 2001, LibreOffice has emerged as a highly-regarded open source office suite. The latest version is a bug fix release, with no new features. Due to time pressures, the release schedule has been accelerated. Therefore, as with LibreOffice 5.0.3.2, we are able to provide all the relevant changes at this point. If you are using the default (GNOME) desktop in Linux, you can immediately get the latest version from our getlibreoffice.org/stable page. System requirements This version works with Ubuntu 17.10, 18.04, 18.04 LTS and 18.10. Technical information This is a bug fix release, with no new features. The list of improvements in the 5.0.3 series can be found in the 5.0.3 changelog. The release also contains fixes and improvements for localization, reading MS Office files, printing and the CJK support, and other small but useful enhancements. Released components This release contains a number of updated components, including the core office components, the writer and impress writer, Calc and Impress, and Impress for PowerPoint. It is possible that additional components may be added to this release before the final release, so it is important to check our downloads page regularly. Get it now You can install LibreOffice from any of the three following methods: Standard installation If you use the default (GNOME) desktop on Ubuntu, you can install the new version from our getlibreoffice.org/stable page. Manual installation To manually install the new version, follow the instructions below. `sudo apt-get update sudo apt-get install libreoffice sudo apt-mark hold libreoffice-gnome libreoffice-writer libreoffice-impress libreoffice-calc sudo apt-mark unhold libreoffice-calc libreoffice-writer libreoffice-impress libreoffice-writer-common libreoffice-impress-common libreoffice-base-core libreoffice-writer-impress libreoffice-common sudo apt-mark auto-mark remove libreoffice-writer-common libreoffice-base-core libreoffice-writer-common libreoffice-common libreoffice- 82157476af`
